**Courageous optimism**

**Boundless creativity**

**Heartfelt compassion**

Dear Parents/Carers,

What an interesting and at times fraught Spring Term!! Like so many schools we remained open and continued to support students with face to face learning, while other students were taught virtually at home. I would like to say thank you to all of our parents who made the daily journey to school, and to those who supported and survived Zoom lessons and home learning.

In early March we took pleasure in welcoming all of our students back to school. Behind their smiles was great trepidation as Maria and I greeted them in full PPE with Lateral Flow Tests in hand! Despite their fears all of our students participated in our testing in a mature manner and without fuss.

I would also like to congratulate our Year 11's for their dedication and commitment they have shown to their studies, attending their mock exams and subject assessments—well done to each and everyone of them.

The start of the warm weather has allowed our students to spend their social time outside making use of the new school facilities. It has been very encouraging to witness our students hone their team building and social skills, but most of all to see them letting off steam and having fun.

We decided to end the term on a positive and fun note, awarding students Certificates of Achievement recognising their hard work, attendance and progress, followed by an Easter celebration in the form of a whole school Easter egg hunt.

Hopefully we can resurrect our school clubs during the Summer Term, as well as some after school outdoor activities updated guidance permitting

Finally, I would like to wish you all a happy Easter and now some restrictions have eased, I hope you manage to meet up with family and friends.

Toni Cox  
Head of School

TERM DATES:

Summer Term

Monday 19th April to 21st July

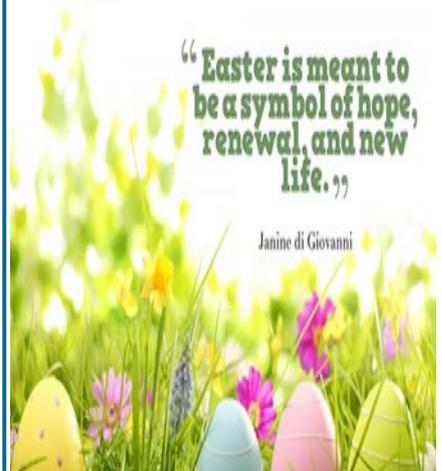

Bank Holiday Monday 3rd May

Half-Term Monday 31st May to  
Friday 7th June

### **Thought for the Week**

“Easter is meant to be a symbol of hope, renewal, and new life.”
